Les âmes torturées des victimes de l'Italie fasciste cherchent leur Justice et leur Paix.

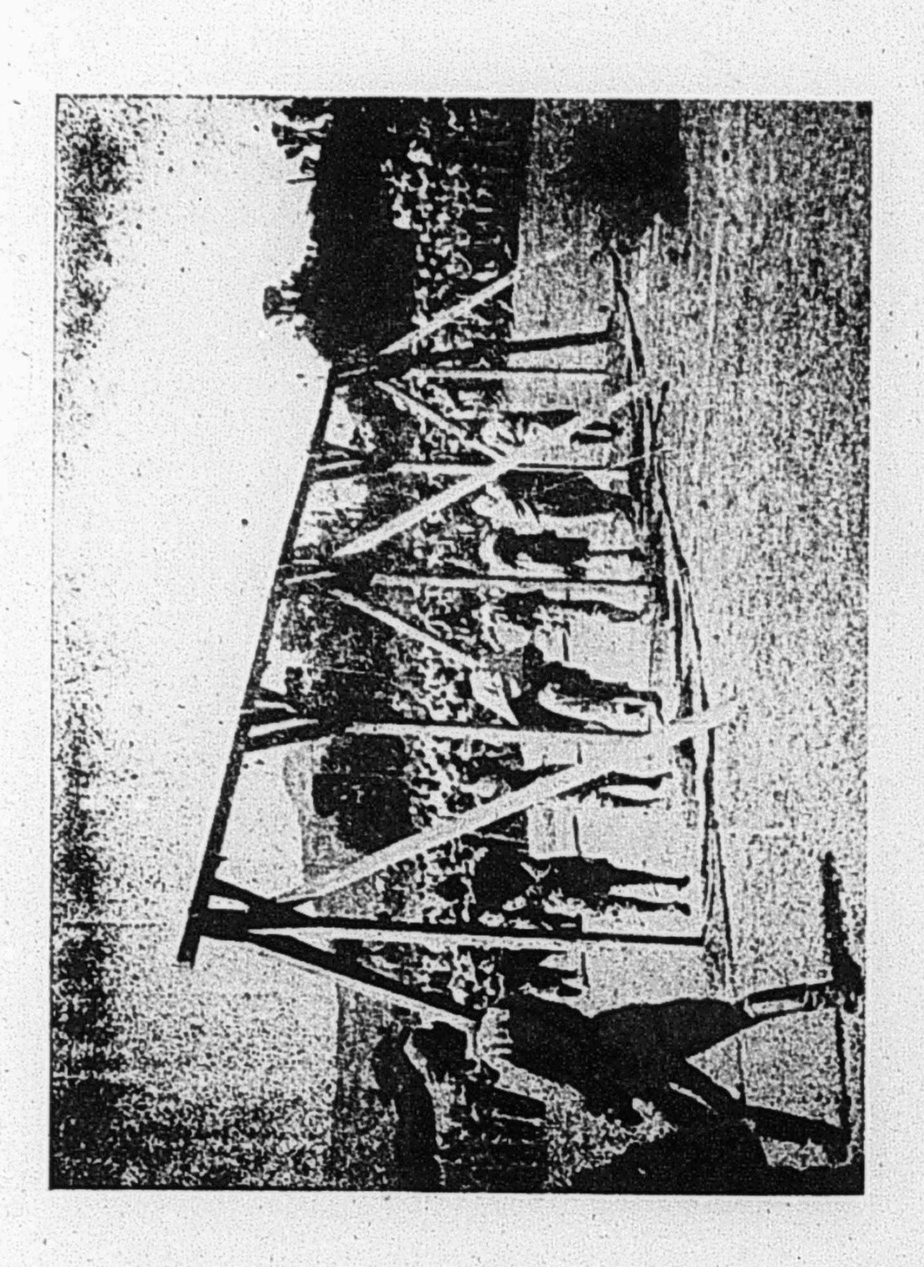

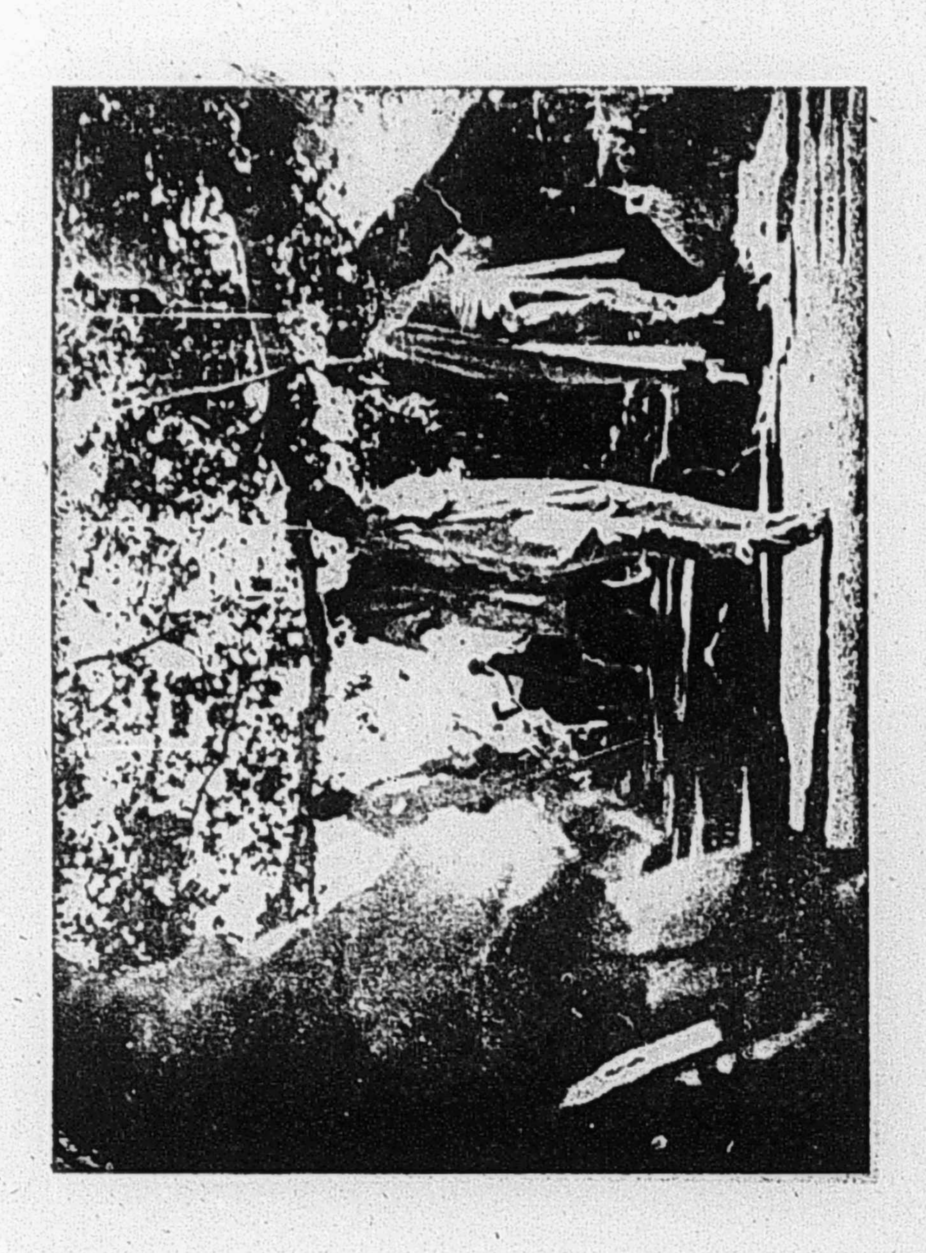

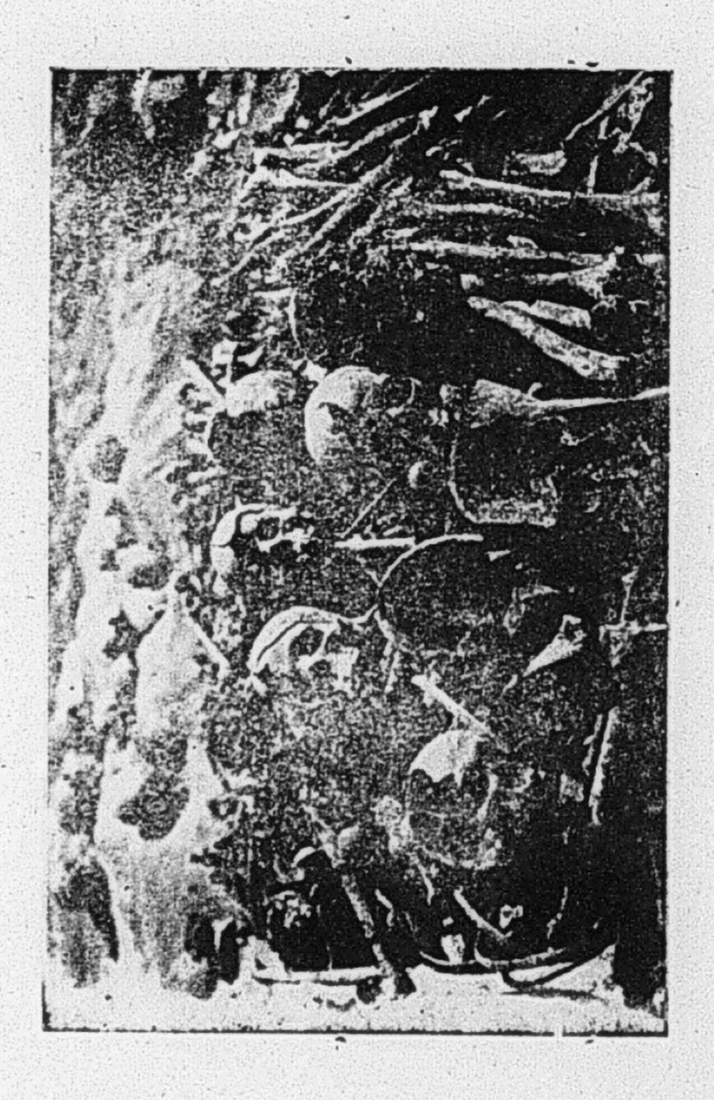

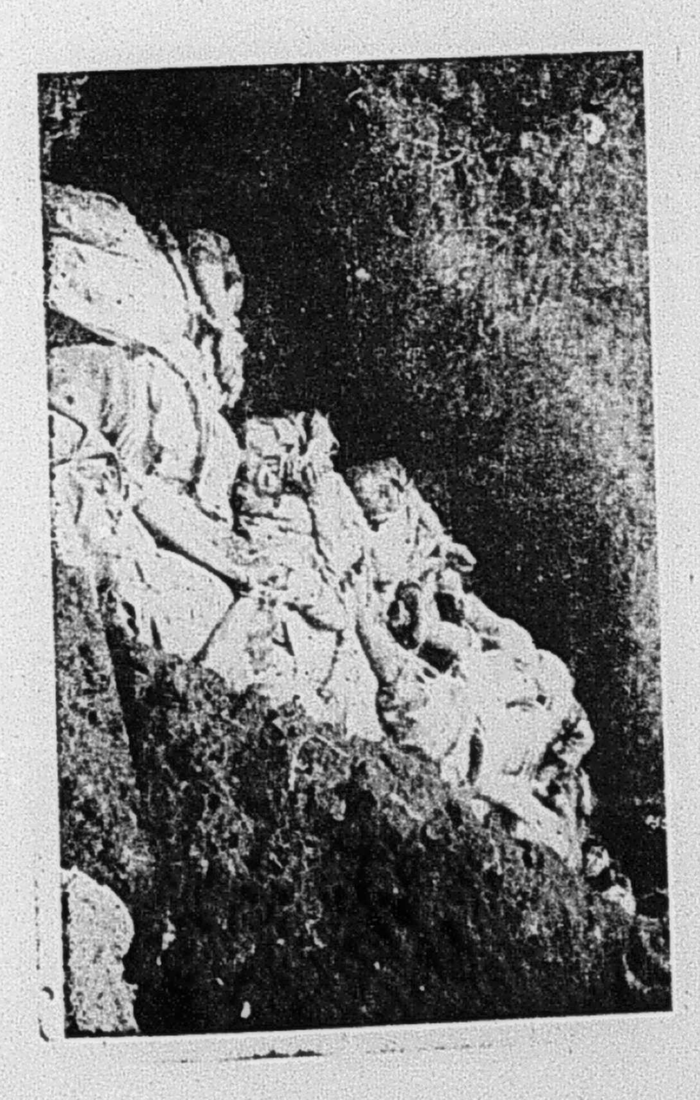

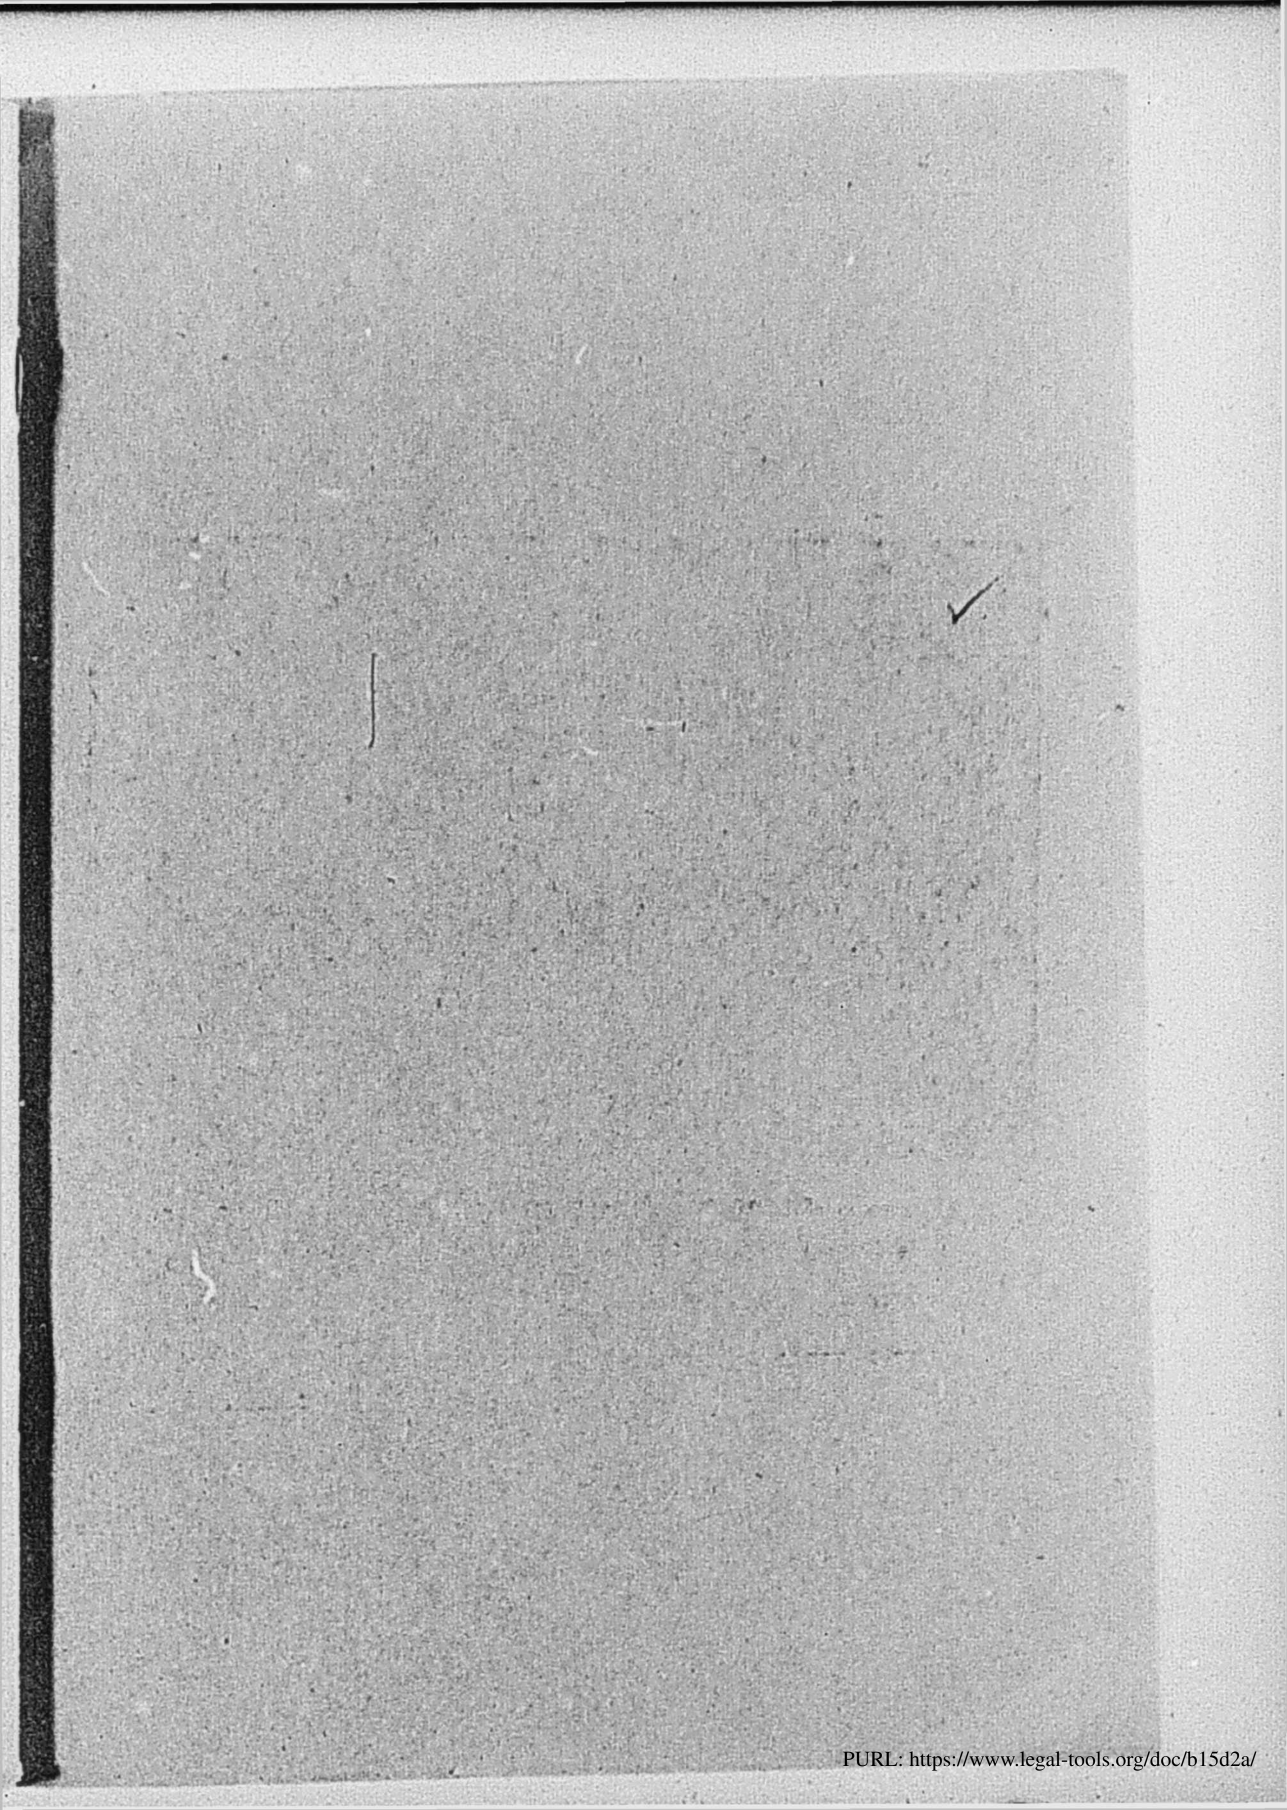

En ce jours ou le monde se prépare à la paix, nous sentons que son premier devoir sera de rendre, aux innocentes victimes aussi, leur justice.....

« …… Des répressions inexorables ont été effectuées sur toutes les populations coupables sinon de complicité, du moins pour réactions manquées …… ».

Addis Abeba, 30-7-36.

Graziani.
